

Marine Spatial Planning Autumn/Winter Online CPD Series

October - December 2023

Delivered with support from the Department of Housing, Local Government and Heritage

Series Overview

This free lunch and learn series is open to members and non-members. To register for all 8 webinars - which will be delivered on Zoom - visit www.ipi.ie. Certificates of attendance will be available for those who attend all 8 live webinars. Recordings of the series will be available from www.ipi.ie. Please note the schedule is subject to change.

Irish Planning Institute CPD Credits: 8

Learning Outcomes

- Be able to identify relevant legislative and policy frameworks for the sustainable planning, use and management of the marine resource.
- Be able to understand the diversity of state, market and civil stakeholders with an interest in marine resources
- Be able to apply relevant legal and policy documents to a specific marine-related issue.
- Be able to articulate the benefits of a trans-disciplinary approach to the planning and management of the marine resource.
